

SILVER LAKE MEMORY PARK

Several years ago the town purchased the property on the corner of Jefferson & Sycamore where the old Marathon Station was located. The area has now been turned into a park and back yard habitat, known as "Silver Lake Memory Park." Funds are limited to maintain the park so we are asking for your contribution. By purchasing a brick as a memorial to a loved one or family member or even a brick in your name, you will be recording your family into the memories and history of Silver Lake.

Bricks are available in two sizes: 4" X 8" with 45 letters & spaces for \$75.00
8" X 8" with 90 letters & spaces for \$125.00

Return to: Town of Silver Lake P.O. Box 159 Silver Lake, In. 46982 or drop off at the Clerk's office at 604 N. Jefferson St.
