7:00PM

PLEDGE OF ALLEGIANCE

ROLL CALL:

1. **Elected Officials:**
Chad Miner, Phil Shalley, Dana Owens, Tonya Conley
2. **Department Heads:**
John Conley

PUBLIC HEARING OPENED

Chad Miner opened the public hearing and turned the floor over to Shannon McLeod, grant writer for Silver Lake.

PUBLIC HEARING:

Shannon McLeod spoke regarding the scope of the project and the amount of the grant applied for. The Town is asking OCRA to grant \$500000.00 and the town match is \$492000.00. The rates for the sewer utility will be studied and a potential \$4.50 increase is possible. The Town is seeking a loan from the State Revolving Fund and the rate increase will be to pay for the debt. Shannon has received multiple letters from citizens having issues with the sewage and storm water. The letters will be submitted with the grant application.

Jerry Wagoner said that they had been dealing with this for quite some time and his floors are in terrible shape because of it. He said it would do no good to put money in his property with this issue still on going. Shannon was asked if instead of pipes if a swale and a catch basin could be used. Shannon said that is something that is being looked into and the engineers will weigh the options.

Chad and Tonya signed documents to be submitted to OCRA and the **Council voted on a resolution stating what the Town is asking for and will match**. Dana made first motion, Phil seconded, Chad all in favor, motion carried.

ADJOURNMENT:

Dana made first motion to adjourn, Phil seconded, Chad all in favor, motion carried. Meeting was adjourned at **7:44pm**.
