OCTOBER 11, 2023
7:10pm
SILVER LAKE TOWN HALL

I. PUBLIC HEARING WAS OPENED AT 7:10PM.

II. SUBJECT: The **additional appropriation** was explained by Tonya. She said that the Marshal's Dept. had received a donation to purchase computers and that left an amount over what was budgeted. Jason also wanted to use the donation fund for the purchase of a thermal camera for the police vehicle. The total for the additional appropriation is \$13,916.75 and the fund has plenty of money to cover it, but Tonya said she didn't budget enough to for the computers or imager. Tonya stated that with her adding the fund to the budget in Gateway the DLGF considers it during their review so she also will need to send it to them for their opinion on the matter.
